

# Mrs. Jami's News

Dear parents,

Our students had another full week of fun and learning in St. Dominic's PKC class. We learned about the letter "P", which gave us the perfect opportunity for a full day of Paw Patrol activities! We also learned about porcupines, penguins, and pigs. Our children especially liked the porcupine. I was impressed they were able to theorize a porcupine's quills are used to protect themselves. I got to learn the names of all the animals of the families of PKC when we discussed caring for pets. The children learned that animals need food, water, shelter, and love, just like preschoolers.

The school had a visit from Archbishop Rodi on Tuesday. Your kids showed off their counting skills to the Archbishop-they did great! We used his visit to our classroom to prompt a great discussion about priests and prayer.

We enjoyed sno cones on Thursday, which was, of course, a hit with the students. There are some great pictures on the St. Dominic School Facebook page if you would like to take a look at them.

We continue to work on social skills like taking turns, setting boundaries, and respecting boundaries. Please practice these skills with your children at home, too. They are doing great!

Have a good weekend,

Jami Graham
