

I'm the proud mom of three amazing kids! Leo, Amelia, and Russell. Each have attended St. Dominic from Pre-K through 8th grade, and moved on to McGill and college. My husband, Dr. Leo F. Ginn III, is a dentist. Our family loves boating, fishing, camping, family game night, and painting. We also love music and sports! (Additionally I love dance/choreography, cooking, cross-stitch, and my pets!) I graduated from USA with my Bachelor's Degree and received my Masters in Education from Springhill College and began teaching at Morningside Elementary. I have been a substitute teacher at St. Dominic and McGill Toolen. I have volunteered as a Room Mom and served as a Head Room Mom at SDCS. I have been involved in the Booster Club, as a Cheerleading Coach, Cheerleading Coordinator, and Volunteer Coordinator and Photographer for our Monsignor Murphy Golf Tournament, in addition to many other wonderful volunteer opportunities! Although I loved my last job opportunity as Volunteer Coordinator at Comfort Care Hospice, I am ready to return to my passion, which is teaching at the upper elementary level, where my heart lies. I am beyond excited to get back to work with your children. St. Dominic is a wonderful school.
