

My name is Courtney Bishop. I have a BS degree in Early Childhood and Elementary Education from the University of Alabama. I have been teaching K4 here at St. Dominic since 2015. I have also taught grades 3-5 at St. Vincent de Paul School. I taught 1<sup>st</sup> grade and was a special education paraprofessional in the public school system as well. I moved to Mobile in 2000 from Indiana. I met my husband Jack at U of A and we have been married for 19 years. We have 3 children: Keller and Connor are at McGill and Parker is here at St. Dominic. We are members of St. Dominic Parish. I am looking forward to another exciting school year!
