

My name is Henry Nonnenmacher. I will be teaching Middle School Religion and Civics in the upcoming school year. I was born and raised in Mobile, Alabama and have been a part of St. Dominic parish my entire life. I graduated from St. Dominic in 2004, Mobile Christian High School in 2008, and received a bachelors in History with a minor in Earth Science in 2012 from the University of South Alabama. I received my teaching certification from the University of West Florida in 2013 and am currently working on my Master's Degree. I have experience teaching Math, Literature, History, and Science at the Middle School level. I have worked at St. Dominic in the past and I am very excited to be returning and contributing to the school and parish once again.
