

PREK A WEEKLY NEWS

September 29, 2023

Hello parents and families!

This week PKA spent time practicing our “Please” and “Thank you” responses and the class did wonderful!

We are also putting an emphasis on patience and “waiting your turn.” It has been so great seeing them share and waiting their turn for the reward of a sucker!

Next week we will still start letter “D” and all the fun October arts and crafts.

Looking forward to it,

Mrs. Sarah Sullivan
