

Hi my name is Emily Printz and I am a second grade teacher at St. Dominic Catholic School. Growing up, I attended St. Dominic's from kindergarten through eighth grade and now am teaching at my alma mater. Not only did my brother and I grow up at SDCS, but my mom also went to St.

Dominic. Needless to say, my family has been a part of the school and parish for quite some time.

I graduated from the University of South Alabama with a degree in elementary education. Being a part of my students' Catholic journey as they receive their First Holy Communion and Reconciliation is a huge blessing for me.

I am surrounded by the most wonderful family and friends. When I am not teaching, I am spending a lot of time with them. My only child is my precious dog Danny. Although, I did have a student tell me that I was the class's school mom and I agree with that.

The beach, karaoke singing, running, music, and relaxing with a movie are things that I really enjoy. While I love my hobbies, I am extremely passionate about teaching and being a positive role model for my students.
