

3RD GRADE

NEWS

Week of: 10/2/2023

A note from the teachers:

We are looking forward to seeing you Wednesday at Parent Night! The students are excited to show you their music progress.

Behavior is very important! Positive behavior enhances learning...and negative behavior interferes with learning opportunities in the classroom. Please help me promote positive behavior and good choices from your child!

Please send students in with regular water in a water bottle and snack each day. They may have flavored water and other drinks at lunch only.

Students are welcome to take AR tests at school or home. They are also encouraged to practice on go-el.com at home.

Have a great week! 
Ms. Joice & Mrs. Herbst

3RD GRADE NEWS

Congratulations Michael,
Rosie, Grant, Owen, Annie,
Killion, Katy, Serena, Gavin
& Gracie N. on making
your AR goal!

Mrs. Herbst

Ms. Joyce

Science

We will be praying the
Rosary in October. Your
child is encouraged to bring
theirs in from home.

Things to help your child SUCCEED:

Ask your child about school.

Check your child's homework.

Pack a snack and water bottle every day.

Thank you for sending in the

EXTRA VAGANZA ITEMS
