

PRE-K B Mrs. Stephanie Holland & Mrs. Daniell Sharman
October 4-8, 2023

What we are learning:

- Letter D
- Number 4
- Autumn Season
- D is for Divine Mercy

A Note from the Teacher:

Last week our Students learned about Letter C. We learned about different types of clouds, we enjoyed The Very Hungry Caterpillar story, we learned that C is for the Church and that we are proud of where we go to worship Jesus. We learned about the Number 3 and implemented counting in our lesson plan. Finally, we had a wonderful surprise from the third graders coming to us and reading stories. We will get more time with them in the future. Reading is essential in your child's development, 5 minutes of your time to sit and read to them will expand their vocabulary and imagination. We also learned how to say Good morning/ Buenos Dias in Spanish.

This Week we will learn the Letter D, Number 4, and we will focus on the Autumn season.

- Science: How do Ducks stay warm after swimming in the lake?
- Math: Number 4: Discover shapes with 4 sides and angles, Count the 4 seasons with me.
- Language/ Literacy: Letter D. D is for Dog, Doctor, Ducks, Dinosaur
- Religion: D is for Divine Mercy

Reminders:

- If your child is not feeling well, please keep them home. They may return to school if they are 24 hours free of vomiting, diarrhea and/ or fever without medication.
- Please remember to label, with your child's name, their water bottles, snack bags, lunch boxes and the ziploc bag containing extra clothes.
- Please do not send your child into school with opened food. Breakfast should be finished before unloading at carpool.
- We have some Awesome events coming up in the month of October. I will be sending home letters pertaining to these events soon so please check your folders
