

I am almost a "Life-long" Eagle as I attended St. Dominic Catholic School and began my teaching career here in 1987.

I taught Kindergarten in KA (1987-88) and First Grade (1988-95). I "moved around the corner" and taught First Grade at St. Luke's (1995-1999). I also have experience in Preschool at St. Mark's (2001-2003). I returned to St. Dominic as an assistant in 2006 and then moved back to teaching First Grade (2007-2013), Second Grade (2013-2017) and was the librarian for 2 years. I have been teaching Kindergarten since 2019. I am happy to be "home" where I am blessed to be able to share my faith on a daily basis with my students.

I am a graduate of McGill-Toolen Catholic High School and the University of South Alabama with a degree in Early Childhood Education. My husband, David, and I have three children: John David (Mary Kate), Elizabeth (Michael), and Caroline who are all alumni of SDCS and McGill-Toolen. We are members of St. Dominic Parish.
